

now available

custom finish MADRID SPIGOTS

Customize our MADRID core drill, base plated and vertical spigots and matching covers with our new release MADRID CUSTOM range. Select from a large range of DULUX or INTERPON powder coat finishes and create a truly unique frameless pool or balustrade.

- Large range of colours available for job lot powder coating
- Premium commercial powder coat finishes available
 - Interpon D2525 series
 - Dulux Premium series (Duratec & Electro ranges)
- Contact us for the colour selection available
- Australia's best practice powder coating is followed:
Whip blast followed by an epoxy primer and then powder coated

Power coated at a premium facility in Brisbane with free delivery into Glass Outlet depots Australia wide or directly to your door*

* (freight applies for direct shipments)
